

Word of the LORD

REST

June 2017

Debra Jack, Sr. Leader at NBCF

NOTE: *This was a brief, but I believe, powerful Word I received at the end of June regarding the month of July. Sorry I didn't get it out sooner, but it was stuck in some of my study notes for teaching!*

REGARDING JULY 2017:

July is the 7th month of our calendar year. 7 is the number *completion*. It also means *finished work, rest, and perfection in the Spirit*.

July, in many respects, is a *sabbatical* month whereby we lay down all that has burdened us and instead, REST! While a sabbatical includes rest, it is rest with *intention*. That intention is to SEEK GOD IN A GREATER WAY AND SEEK HIS WILL!

This month, take time to MOVE INTO HIM! REST INTENTIONALLY! Lay down all that hinders, obstructs, deters, restricts, and more.

The LORD says, "REST! Enter My Rest! Eat the Word. Wait ON Me and wait WITH Me until I AM is both known and accurately within. As you wait, I will come to you and make deposits in you. Faith is to be had within the realm of REST. The miraculous is within this realm of REST. Healing is within the realm of REST. Deliverance is within the realm of REST. Transformation is within the realm of REST. Enter My Finished Work! REST releases a new and powerful atmosphere. REST results in a new, powerful and radical lifestyle. REST changes everything.

"Go ahead and REST! Let's change YOUR LIFE and the WORLD together!"
