Women of the New Revival!

“YOU IN THE WEST WILL NEVER SEE A MOVE OF GOD UNTIL YOU USE YOUR WOMEN.”

- Dr. Paul (David) Yonggi Cho; Yoido Full Gospel Church (Seoul, South Korea)

In February I was reading over some prophecies that were given by prophets for 2018. One prophecy stated that God was raising up Wonder Women this year. I wanted to state that because I cannot take credit for the use of the term. But, the term made my spirit soar! And I began to seek the LORD for myself in this specific respect. I was thinking about what Wonder Women may look like when Holy Spirit gave me the following:

PS. 68:11 (NASB)—“THE LORD GIVES THE COMMAND; “THE WOMEN WHO PROCLAIM THE GOOD TIDINGS ARE A GREAT HOST: KINGS OF ARMIES FLEE, THEY FLEE, AND SHE WHO REMAINS AT HOME WILL DIVIDE THE SPOIL!”

God is RIGHT NOW raising up His Wonder Women for this very Hour. They are in the world, but not of the world. They are devoted, consecrated, sanctified. These WONDER WOMEN will indeed be Strong in HIM—they are “IN HIM Women!” But they will also cause great WONDER among peoples—many, many will WONDER at these WONDER Women. Many of the religious will question these Wonder Women arising—they will say, “I wonder what is going on here? This can’t be the LORD!” But, people in the world will also wonder. They will say, “Who are these women? They unnerve me; they seem to be a breed of their own.”

But a wonder is also a miracle. These Wonder Women will be “Wonder-Working Women” or “Miracle-Working Women” who are not only miracles themselves, but will walk in signs, wonders and miracles! They will represent together the fullness of Christ in their gender—not over and above men—only equal to men! In this respect, many other Believer’s and unbeliever’s will say, “What a wonderful wonder is happening in these Women of Christ—I cannot deny it! It can only be the LORD!”

In this very Hour—in this very Minute “IN HIM Women—Wonder Women” are arising to spur on the coming of Christ. They have the courage and confidence IN HIM to do what they are called and gifted to do regardless of the criticism, the disapproval, the condemnation, the persecution, the blame! Therefore . . .

THE MIRIAM’S are arising. They will discharge and liberate a whole new level of *praise and worship*. They will *dance the victory dance* of Christ on the neck of the enemy! They

will cause the victory of Christ Jesus to swirl around them through wild and violent *praise and worship* and the enemy will flee from the very atmosphere they create!

THE DEBORAH'S are arising. Ho! They are *warriors who will war* through judging and prophecy. They will judge the enemy and all his works at every turn and they will prophesy the truth, life, and victory of Christ Jesus. They will speak truth to the peoples, "Arise! For this is the day in which the LORD has given Sisera [the enemy] into your hands; behold, the LORD has gone out before you!"

THE ESTHER'S are arising. They will not be afraid, but they will be confident *intercessors*. Through the Holy Spirit, they will dress in their royal queenly robes and go before the King in intercession and He will extend His scepter to them. Anything they ask of Him will be granted. They will stand in the gap for their people and He will answer and uphold their every request!

THE PRISCILLA'S are arising, and they will NOT shrink back. They will boldly *teach and preach* the multitudes. They will stand in the pulpits once deserted by women. They will expound; they will correct wrong doctrine and belief; they will stamp out heresies and they will cause confusion to run. They will cause many closed wombs to open and they will cause many, many to have multiple births—i.e., twins, triplets, even quadruples! And they will take spiritual infants on into mature youths who walk in steadfastness and power!

FINALLY, THE RUTH'S are arising, and they will *harvest* where there was once drought and famine; and where they were once not wanted or allowed to harvest. But no will keep them out! In fact, the Boaz's will arise at this very moment to not only protect them but open the way for them! They will *harvest the King's harvest*, which is the harvest of these Last Days! Angels will partner with them assist them!

THESE ARE Women of Distinction! THESE ARE WONDER WOMEN!
