

A NEW YEAR – A NEW BEGINNING!

Sr. Leader, Debra Jack

As a human race, I've often thought we're addicted to love... yet we're also addicted to *new beginnings!* I wondered "why"?

Then I had a realization: Because we're always so in *need* of both!

And that's exactly why Rick and I felt through the leading of Holy Spirit to choose the name **New Beginnings Christian Fellowship** for our church. We all have a craving for new, strategic and continual beginnings in our life, especially at the front of every new year. Now, I'm speaking in regards to spiritual things first and foremost. Spiritual new

beginnings are meant to flow over into and affect our physical life. It is always important to seek the LORD for continual spiritual growth and personal revival so that our life in general will be prosperous and productive.

The name, New Beginnings Christian Fellowship, is a telltale sign of what we believe and teach, as well as *how* we believe God wants everyone of us to live our life.

Jesus Christ is the Master of new beginnings. In fact, He's the Author and Provider of true new beginnings. He's the Maker of us becoming a new creation with a new beginning.

Possibly you're in a place in your life where your heart is crying out for a new beginning. Perhaps it's time for a new beginning.

We invite you to come and join us as we explore the options Jesus has, by His grace, set before us for a new beginning—and the continual new beginnings we experience that cause transformation to empower us in every way and in everyday life.

The coffee is hot, the worship is engaging, the Holy Spirit is moving, the teaching is empowering, the prayer is proving and powerful, and the fellowship is warm and welcoming.

Come on in! **Experience your new beginning at New Beginnings Christian Fellowship this year.** Let the LORD touch, save, heal and deliver you.

It's time for a NEW YOU through a NEW BEGINNING!
