

7 Angels Released to NBCF

Recorded by Apostle-Prophet Debra Jack

During the Sunday morning prayer time with the Intercessors before our worship encounter on 11-7-21—NBCF's Anniversary Sunday—the Holy Spirit spoke that the LORD was releasing seven different angels for the Hour we are in.

I was also told that these 7 angels had been given ***assignments specific to their names.***

Now, I only saw the names of three of these angels. Why? I have no idea, but I suspect that the Holy Spirit will reveal the others as we believe and receive these three.

The first angel's name was: *This Day.*

The second angel's name was: *Change.*

The third angel's name was: *No Longer Hidden.*

As Christian Believers, we have an obligation and a fear of the LORD to believe in angels. We're often quick to believe in demons, but not so quick to believe in angels! If we don't believe in angels sent to us, we will be in a "power predicament!" In other words, having no power to pursue the vision. Holy Spirit works with His angels. They are specific to assignment areas of the vision.

Angels are messengers! They carry the Word of God to us! They are powerful! They protect us! They give us guidance! We are to entertain angels!! They will be on the increase in this Hour!!

These angels were pre-assigned to us for this exact Hour. NBCF, we need to believe and agree that we finish our assignment.
